A total of **28 decathletes** have achieved a decathlon score of **8,000 points or more at least four times**.

So far, **177 decathletes** have broken the **8,000-point barrier**, doing so a combined total of **433 times**.

**Guido Kratschmer (8,302 pts)** and **Sepp Zeilbauer (8,219 pts)** were the first two athletes to reach this milestone on **16 May 1976** at the **Mösle Stadium**, when they crossed what was then considered this legendary benchmark.
